

## ALL-NEW FOR THE KID IN, OR NEAR, YOU!

For over a decade, this “youthful” version of the beloved *Old Farmer’s Almanac* has been entertaining curious kids (and adults who are young at heart). The latest *Old Farmer’s Almanac for Kids* is ready for a new group of sky-watchers, cooks, animal lovers, athletes, and adventurers, with 192 full-color pages jam-packed with stories and tidbits on everything under the Sun, including an uncommon calendar with fun facts, projects, and celebrations for the whole year.

Oh, the adventures to be found inside Volume 7 of *The Old Farmer’s Almanac for Kids!*

- **Veggie Tales.** Swine’s Snout. Swedish Peanut. Love Apple. Nosebleed. Learn about veggies and other plants with fascinating stories to tell.
- **Heroic Dogs and Brave Rats.** Meet the Doberman pinscher that fought a venomous snake and the African rats that help to locate land mines!
- **Meteorite Magnets and Moon Myths.** Investigate super-size space rocks, build a meteorite magnet, and compare Moon stories told by ancient cultures around the world with your lunar imaginings.
- **How to Set a World Record.** Get tips on setting a world record from the man who holds the world record for official world records (551, to be exact!).
- **The Kid Captain and Other Tales of the Sea.** Discover the true story of the youngest-ever U.S. Navy captain (12 years old!) and then dig into spooky mysteries behind a glowing-green ghost ship and two ships frozen into an iceberg!
- **Clever Crafts.** Carve soap into fun shapes (washing up has never been so entertaining), make play-dough, and fill a time capsule as a message to the future!

*The Old Farmer’s Almanac for Kids, Volume 7, is available now for \$9.95 at retail stores, in the children’s section of bookstores, and at [Almanac.com/Shop](http://Almanac.com/Shop).*
